Volume 3: October 2010

**Welcome to the October edition of the WM.** The diary is rather longer this month so plenty of interesting and informative things to do. Do support the events arranged by the various organisations they are an important aspect of village life.

No change on the Rose front I'm afraid although Enterprise Inns have said "We are not yet in a position to re-open the Rose, but it is still our intention to re-open the Rose with a new retailer as soon as possible ". They have promised to keep us informed so hopefully some more positive information will arrive soon.

The news that an individual intends to apply for permission to site a crematorium and burial ground on a piece of land on Moor Lane has caused disquiet. The Parish Council has promised to hold a public meeting when the application is submitted and the details are available. Not a proposal that delivers improvement to the village on the face of it and certainly doesn't preserve the character of the field system that has existed there for more than 200 years.

Last month saw the annual Produce Show with an array of fine produce and craft work - well done everyone who entered and Will Hewitt for his efforts organising it.

Elaine Heckford's annual Macmillan Coffee Morning was another success despite the day being rather grey and cold. To date £312 has been raised, well done Elaine and thanks to everyone involved.

The Club Christmas shopping trip to Milton Keynes is on Thursday November 25<sup>th</sup>, and an early reminder for your diaries that on December 9<sup>th</sup> we will be having our Christmas lunch at the Arnold Restaurant in Rugby.

## Did You Know

Thanks to those readers who got in touch with information about the allotments. Their Information indicates that the location of the allotments situated on land known as "Lane Ground" is that they were on land above 'Frolesworth Lodge Farm' on Longdown Lane. This was situated on the right close to the parish boundary. This land was apparently, surprise surprise, known as 'the allotments' and is identified on an old 1835 map held at Magdalen College as 'Willoughby Charity Land'.

According to records further indicate that in the course of time more charity allotments were provided at "Brakenell and Bower's". The location of this site is not known. College owned fields known as Bowers Ground and Bowers Meadow appear on the 1835 map on the left of Longdown Lane on the start of the hill beyond the "Navigation". However, these fields were owned by the College until the 1940s so it s probable that the site was elsewhere. If you know where do let us know.

## Willoughby Cricket Club

Saturday 23<sup>rd</sup> October is Willoughby Cricket Clubs Annual Presentation Evening. It will be held this year in the cricket pavilion. We are looking for teams of four for a quiz with which we will start the evening, all from the village are welcome, prizes of course for the winning team and runners up. This will be followed by a Fish n Chip supper and the presentation of trophies to our players will follow. The bar will be open of course. We hope that people will arrive around 7pm for a 7.30 kick off.

We are in need of a Part-time Groundsman. The job involves preparing and maintaining the cricket square and preparing playing surfaces in time for fixtures in the cricket season. We can give full training and there are certified training courses that we would be happy to finance for the right person. An excellent opportunity for someone.

## Willoughby Society

Philip Wilson Warwickshire County Chairman of the British Legion will speak at our meeting on 27<sup>th</sup> October. He will be talking about the work of the Legion at the meeting which starts at 7.30pm. Visitors are welcome to attend.

Our Annual General Meeting takes place on 24th November. This year several long serving members of the committee have decided that the time has come to leave the committee. This means that we need several members to step forward and join the committee. Please speak to one of the committee to find out more. Nomination forms will be available at our October meeting.

### Willoughby Women's Insti 1920 - 2

Our October meeting is on the 21<sup>st</sup> at 7:30 pm. Our speaker is Alan Rogers who will be talking about "Women's Safety". The competition, this month, is for a "Handy Torch".

Visitors are very welcome.

A few tickets for the Group Social Evening, 28<sup>th</sup> October, are still available if any member would like one please contact Joyce Jackson.

This village event happens because of a very generous donation given towards the fireworks by the New Year's Eve Party Committee, Elaine and Richard Heckford's time and of course the use of the field. Thanks to all who help make this event happen.

## Willoughby Parish Council

A note has been distributed to every property in Willoughby advising of the proposed planning application for a crematorium and cemetery in the Village. When the application is submitted there will be a Public Meeting in the Village Hall to discuss the proposal and its implications to the Village.

Your Parish Council are working towards becoming a Quality Council which should enable us to have more control of our own destiny.

The Chairman, Mike Thomas, has been around the Village with County Councillor Robin Hazelton and Mark Widdows from Warwickshire County Council Highways Department looking at some of the items that the Parish Council have brought to the attention of the County Council as needing repair or maintenance. The following items are to receive attention:

1. The severe cracks in the road in Woolscott Lane are to be repaired.
2. The broken kerb in Lower Street is to be repaired.
3. The pothole in Main Street is to be repaired.
4. All the road drains are to be cleaned out.
5. The hedge at the junction of Longdown Lane is to be trimmed back to improve visibility.
