# Willoughby Monthly

Volume 5: February 2012

## Welcome to the February edition of the

**WM.** It seems a long time since the festive season and the New Years Eve party. After Gabriela at the Willoughby Society's Christmas event January has seemed decidedly gloomy. Lots of preparations in hand for events to raise a smile through the year though.

Planning for Willoughby 2012 is gathering pace and there is news inside of a Photographic competition, with a £25 prize fund up for grabs. Get snapping and capture the Willoughby you see. You can enter as many photographs as you like. They will be put on show during the Arts weekend.

The events in June provide an opportunity for all the musicians, singers, artists, and craft workers, to perform, work, or display their work in the Big Top more information inside.

The crematorium plan has been delayed again and isn't expected to go to the planning committee until 22<sup>nd</sup> of this month at the earliest. More information on this in the VACC section.

Finally now it is colder and wetter please keep an eye out for the elderly or infirm.

Plans for Willoughby 2012 are developing quickly and we expect to have lots of details for you in the next issue.

One of our aims is to take the opportunity to put on one or two events specially for the younger generation. Two suggestions have been made so far, one is to have a Computer Games event, and the other to have a Jam session for the developing musicians/singers in the village and its neighbours. We need to know whether these would appeal to enough children/teenagers/young adults to be worthwhile and also what games/facilities etc, they would like. If you are interested or members of your family is/might be please e-mail [richard.jackson@willoughbyweb.net](mailto:richard.jackson@willoughbyweb.net) or call on 891898 with names and e-mail addresses, which events are of interest (new/better ideas welcome!!) and suggestions for the event e.g. Big Top or Village Hall, type of game, etc.

During the Arts weekend we want to showcase as much local talent as possible so if play an instrument (solo or as a member of a group of players) or sing alone or as part of a Choir contact Richard (details above) to be part of the mix. Similarly we want to exhibit art and craft work of all kinds produced by local people. If you are an artist or craft worker we would like to hear from you so that we can give you the opportunity to share your interests and skills with local people. Ideally we want visitors to be able to see some work being produced and if possible to be able to try their hand.

### VACC

The Crematorium application has been delayed again The next Planning Committee meeting is on the 22<sup>nd</sup> February. We will let everyone know if the application is on the agenda for this meeting.

It will be important to have as many people as possible at the meeting even though the public cannot speak at these meetings 'presence' speaks volumes !! We are investigating the cost of hiring transport to make it easy for everyone to get there. We will issue a flyer with details as soon as the date of the meeting is published.

## Willoughby Parish Council

There have been problems with parking on the footpaths. People with pushchairs and those with walking frames are unable to get past without walking in the road. Please be considerate when parking.

The Parish Council has had the subject of allotments under consideration for some time and whilst discussions have taken place with landowners to see if they were willing to rent or sell land for this use, unfortunately nothing positive has been able to be achieved to date. This is something the Parish Council will continue to try to progress.
