

Willoughby Monthly

Volume 6
May
2013

Welcome to the May edition of the WM. I guess for most of you April was a busy month. The sun eventually came out and our cricket team celebrated with a win!! Behind the scenes a good deal is going on too. The Parish Council has purchased the piece of land behind the Village Pond there is the real possibility of allotments for those who do not have sufficient growing space at home. However, the Parish Council needs to be satisfied that there is sufficient demand to warrant the effort, and expense, of setting them up. Make sure you register interest if you would like one -don't forget many people share allotments when they don't need a whole one for themselves.

I mentioned last month that there were plans to 'E-Enable' the Village Hall. During the month the final details have been sorted out so there will soon be high definition projection facilities and broadband/Wi-Fi available in the hall. It will take a month or two for these to be installed but the project is a great example of the village organisations working together for the benefit of the community.

You will find information about a new Northamptonshire bus service that also serves the Leam Valley Villages inside.

June will be a busy month so make sure you have the dates in your diary, they are on the back page. Further information about the Big Lunch, Barn Dance, and Fashion show can be found in the flyer enclosed.

Willoughby Society

What a month April was!! Our Spring Event was something completely new. A show given by a troupe of Zulus. Not an microphone or amplifier in sight but drums, feet, and voices filled the hall with the sounds of Africa. The village hall floor was given an extreme work out too. In addition the audience were treated to extremely good South African food thanks to Bert Ogle and his helpers. Feedback has been fantastic. The show was provided by Live and Local (source of Brassed Up!! and Beowulf last year) and we will be looking at their lists for equally stunning shows for the future.

Our May meeting, on the 29th, is a talk and demonstration on 'Pastel Drawing' by Sarais Crawshaw. The meeting will start at 7:30 pm the usual time at the Village Hall. This should be a fascinating evening. Visitors will be very welcome.

Following on from the successful Family Activity Day in March we have been working with the Village Hall Committee on an E-Enabling programme. This it has now been agreed and funded with additional support from the Parish Council and the Educational Foundation. In the next couple of months you will see the high definition projector permanently installed along with a new wider screen. In addition there will be a broadband connection with a WI-FI network installed. The new facilities will be available to all the village organisations and their members. A real step forward.

The 2nd of June will mark a year on from Willoughby 2012's Grand Opening Event. This year it is the date of Willoughby's Big Lunch which will be held in the Village Hall and its gardens...the latter weather permitting!! The format will be similar to last year's Big Jubilee Lunch - without an enormous marquee. Clare Hewitt is organising the event and you will receive more information and your invitations soon. The Society is sponsoring the hire of the hall & gardens for the day for the event.

On the 9th June the second Leam Valley Novelty Dog Show will be held on the field off Lower Street, thanks to Steve & Natalie Wiltshire. Details will be distributed soon. In the meantime make sure the date is in your diary. Offers of help etc. to Ken Miles at the Red House, Lower St. tel. 899230.
