Volume 6
October
2013

Welcome to the October edition of the WM. I guess for most of us the holidays are over the harvest is in and Autumn has started. Still there is plenty to do in the village.

As the nights draw it is a good time to sample the evening meetings the village organisations run. As well as an opportunity to meet and chat with fellow villagers there are talks on a wide range of subjects entertaining and informative.

October 12th sees the Church's special event to mark the 300th anniversary of the current set of bells with the opportunity to go up the tower and see how the bells are hung. There is also a rare carillon to view. You will also have a rare opportunity to take photographs from the top of the tower. At ground level there will be family fun and games too. More details inside.

If you use oil or Liquid Propane Gas (bulk or bottled) for heating see the item about the Warwickshire Community Oil Syndicate on the back page. It may save you some money!!

Finally, congratulations to Willoughby Cricket Club on being named Warwickshire Cricket Board's **'Natwest Cricketforce Club of the Year'** for 2013. The photograph on the right shows Karl Quinney collecting the award on behalf of the club from Warwickshire C.C.'s Oliver Hannon-Dolby, all 6' 8" of him !!

Willoughby Cricket Club

Whilst there was no success on the field to end the season for Willoughby CC, there was a major one off it!!

Along with many other clubs from the region, representatives from WCC were invited to Edgbaston for the Warwickshire County Cricket Board's annual ECB Natwest OSCAs ceremony, dedicated to recognising outstanding services to cricket at club and grass roots level.

Following another hugely successful Natwest Cricketforce event at the club in April this year - which saw club members aged between 7 and 70 turn out for a day of work in and around the ground and pavilion, Willoughby CC have been named Warwickshire Cricket Board's **'Natwest Cricketforce Club of the Year'** for 2013.

This award is normally reserved for the county's Focus Club, however based on the promotion and coverage prior to, during, and after the event and level of support WCC received both from club members and also external sponsors and partners, it was felt it more than merited the award over all the other clubs throughout the county; many of whom are of a considerably bigger size.

As a result of this award, Willoughby have now been invited to attend the national ECB Natwest OSCAs at Lords in London at the end of this month.

End of Season Presentation

To round off what has been a busy year on and off-the-field, Willoughby CC will be staging their End of Season Presentation on Saturday 5th October 2013 (venue to be confirmed – either WCC or Willoughby Village Hall)

The junior section will be presented with their awards between 6.00 and 8.00pm, before the senior players and the club awards from 8.00pm onwards.

As part of the evening, there will also be a Quiz from 8.00pm. Everyone is welcome to attend the evening and take part in the Quiz.

For further details, contact Karl Quinney on 01788 542441 and also keep an eye on the club website – www.willoughbycc.org.uk, for confirmation of venue.

Willoughby Society

The Society's monthly meeting is on Wednesday 30th October at 7:30pm at the Village Hall. This month, Mark Vance will be talking about 'The World War II Home Front'. Mark has visited us before and given thoroughly entertaining and informative talks e.g. the Tudor Barber Surgeon last year. Don't miss this one.

The Society's AGM takes place next month when the committee and officers will be elected for the coming year. It is essential that members take a turn serving on the committee where possible. As well as relieving the load on existing members it helps to ensure the interests and ideas of the membership are reflected in the Society's activities.

Also next month there will be a wine tasting provided by Majestic Wine. An opportunity to test your tasting skills and perhaps identify a wine two for your 'cellar' ready for the festive season.

Non-members are always welcome at our meetings and events especially those living in the parish. Do come along and enjoy the Society's activities.

Willoughby Parish Council

At the recent meeting of the Dunchurch Division Forum, Willoughby Parish Council have been able to get speeding in the Village set as a priority for the Police over the next three months. This was a major concern in the responses to the Parish survey and means that the Police will be monitoring vehicle speeds with a speed gun and taking the necessary action where excessive speed occurs.

As the evenings are drawing in now, if you are out walking, especially where there are no footpaths, please wear high visibility clothing as it is difficult to spot people walking in dark clothing.

The erosion of the white lines at the road junctions in the Village have been reported as dangerous to Warwickshire County Council Highways Department.

Use or LPG ? - Warwickshire Rural Community Council (WRCC)

Sadly the last days of Summer are with us and cooler days and nights are just around the corner so it's a good time to start thinking about the cost of winter heating.

Last month our members saved £58.80 per 1000 litres of heating oil against the average market price, paying just 55.75 pence. How did your supplier compare?

Our bulk LPG members are saving between £150 and £260 per annum and we are also able to offer great savings and free delivery on LPG cylinders.

WRCC is a long-standing local charity that provides support and advice to rural communities throughout Warwickshire. We receive no funding to operate the Warwickshire Community Oil Syndicate so there is an annual fee (£20 per household) to join - more than covered by the savings members make.

To find out more about reducing the cost of your heating oil or making a saving on your LPG please email oil@wrcrural.org.uk or call Sarah on 01789 472611.
