Village Web Site: www.willoughbyweb.net

Welcome to the October edition of the WM. Definitely an autumnal feel to the weather now and the tree leaves are getting ready to fall.

All our organisations are back in full swing with the first of the Season's events taking place on the 17th with 'Radio Banksa' in concert make sure you get your tickets as it is a Live and Local show and they are great value and always really good performers.

There will be a Halloween party for the Children and those clever allotmenters have been growing extra pumpkins so villagers can have one to decorate. As usual there will be a bonfire party organised by the Church on Brooks Close, the field between Moor Lane and the Church. More information on all of these inside.

I haven't had any requests for entries on the list of services/businesses or for items people want to get rid of, so I will park that idea until the New Year. Don't forget, if you are a 'Facebooker', to join the Willoughby Monthly group a good place to share thoughts about the WM and Willoughbyweb.net etc.

Willoughby Parish Council

The Parish Council have now obtained Planning Permission for the extension to the existing playing field. After a visit from the Warwickshire County Council ecologist we have had to have a method statement prepared prior to making an opening in the hedge for access to the extension.

This is to ensure there are no great crested newts present and the work will have to be supervised by an ecologist that we have had to engage. This was a requirement of the planning permission.
