Welcome to the April edition of the WM. Despite my hopes for some better weather last month we continued to have wild variations thanks to the jet stream being too far north. Maybe it will get back to where it should be and deliver some better weather soon.

The Examination in Public of the RBC Local Plan is continuing with further sessions in April. This time focused on particular policies e.g. blue & Green corridors. The inspector has been at pains to say he hasn't come to any conclusions yet, so the uncertainty goes on.

The Parish Council Annual Meeting takes place on 24th April providing an opportunity find out what they have done over the past year and ask questions.

On the 18th April the Warwickshire Conservation Volunteers (WCV) will be at Haywards Lodge doing a spring tidy up. If you can spare an hour or two give me a ring for details the WCV would love some Villagers to join them.

GARDMAN WAREHOUSE FIRE

The Parish Council has been advised that the fire in the warehouse at Daventry has caused some airborne debris to be deposited in the surrounding countryside. Some of the debris will contain fibreglass and the advice is to pick it up carefully using gloves and bag it up for disposal in a black bin.

Willoughby Parish Council

After all the snow and heavy rain we have been fortunate that the brook did not overflow. On the roads around the area there are many potholes which remain untreated, so please be aware and drive carefully.

The annual Parish Council Meeting takes place on Tuesday the 24th of April at 7.30pm when there is a report on the work of your Parish Council during the past year.

Police & Neighbourhood Watch

The latest wheeze is telephone calls from a telephone provider e.g. BT offering Telephone Preference Service/call barringand then ask for bank details which if given result in monthly debits rather than the stated one off charge. Never give bank details over the phone unless you are absolutely sure who you are talking to, if in doubt hang up immediately.

Crime prevention: Property marking is a deterrent to burglars and increases the likelihood of stolen items being recovered. Rachel has the Village property marking kit and can mark items. Contact her (see below) to arrange to take smaller items to her or a home visit, in the village, to mark larger items.

Police Community Support Officer for the village is PCSO 6149 Helena Seal and our Police Constable is PC 621 Paula Haden. They can be contacted on 01788 853851 this is the Safer Neighbourhood Team number so will reach a team member on duty quickly. The team also have an e-mail address : rrs.snt@warwickshire.police.uk .

Neighbourhood Watch: Rachel Settle (Co-ordinator) can be contacted by telephone on 01788 823823 (daytime) or 01788 890724 (evening & answerphone) or e-mail neighbourhood.watch@willoughbyweb.net.
