2019

**Village Web Site:** [www.willoughbyweb.net](http://www.willoughbyweb.net)

**facebook Group:** Willoughby Monthly

Apologies for the upside down pages in last months WM....my fault!!

**Welcome to the June edition of the WM.** Last month had some positives, warmer weather, the Local Plan has reached its last hurdle (adoption by the RBC), and our Neighbourhood Plan has been submitted.

**Willoughby's Big Lunch** is on Sunday 2<sup>nd</sup> June. This year the film 'Open Season: Scared Silly' will be screened at 11:00 am. in the Hall (by the Willoughby Society) - Parents please note there will be no supervision during the screening. Followed by our Village picnic at about 1pm, in the garden. Everyone is invited, you should have received an invitation with last month's Willoughby Monthly. You are welcome to bring family and friends along too. Please let me know if you are coming so that we can make sure enough tables and chairs are available. Wonder if there will be an impromptu rounders match again this year.....

Those of you on the village email list for the WM Extra messages will know that the date for the Willoughby Festival has changed, see inside. If you didn't receive the message and would like to receive these occasional messages let me know (contact details on the back page).

### **Church**

The work to restore the Chancel is now complete. Much needed coat of paint has been added to the walls to freshen up the area. The church should, by the time this newsletter goes out, once again available for Services etc.. The ceiling and roof are now finally watertight and secure. A big clean up has removed much of the dust that has gathered during the work. A massive thank you to all the volunteers and helpers who have assisted and supported this lovely building on its journey. After a rest we have plans to continue looking after it so it can serve its village for generations to come.

On Saturday 15<sup>th</sup> June we are having a Thanksgiving celebration in the church at 2pm to celebrate the completion of the work. A slide show of the work and progress will be shown. Refreshments including strawberries and cream, tea and cake will be served. An invitation is extended for all.

On the 22<sup>nd</sup> June there is a Jumble Sale in the Village Hall at 2pm. Admission 20p.

Finally, please take time to walk around the churchyard. It is looking lovely and being well cared for. A haven of peace for all to appreciate.

### **Neighbourhood Development Plan (NDP)**

The Inspector's final report on the Rugby Local Plan was published on 7 May. Some minor changes were made to our Neighbourhood Plan so that references to the Local Plan are correct.

The Neighbourhood Plan was submitted to Rugby Borough Council (RBC) on 16 May and will go to the Cabinet on 24 June to request approval for the final consultation. The consultation is carried out by RBC and will take place for 6 weeks from 24 June. Everyone who asked to be kept informed should receive information about the consultation and how to respond, if you would like to do so.

Once the consultation has finished, the Neighbourhood Plan and all the representations received during it will go to an independent examiner who is likely to make further changes. During their examination, the independent examiner will review all of the documentation produced during the formulation of the plan, including previous responses to consultations, to satisfy themselves that the plan they are examining has taken people's views into account. As always, we will keep you informed about what is happening.

If you would like more information, please go to the Neighbourhood Plan website at:

## Willoughby Parish Council

Please remember dogs are not allowed in the Playing Field but can use the footpath through the Playing field extension as long as they are on a lead. Exercising dogs off lead in the Playing Field is not allowed.

The large ash tree in the corner of the playing field has a diseased limb which has to be cut off.

The attendance at the Annual Parish Meeting was disappointing with only seven members of the public being present.

If you have any items of concern or any issues you would like the Parish Council to look into, please let us know. You can email Mike Thomas at [mike.anthony.thomas@gmail.com](mailto:mike.anthony.thomas@gmail.com) or telephone 891338.

### Notice

Kim Gibbard recently lent someone a yellow handled garden spade, not new by any means and he really needs to have it back please. The spade has sentimental value for Kim, belonging to someone he used to transport machinery for until they retired when he bought his hand tools off them. Thank you

### Police & Neighbourhood Watch

Every week is bringing more reports of scams involving claims of outstanding payments to well known organisations e.g ....your direct debit for your TV licence has been cancelled..... the messages/letters include links to payment pages. The accuracy of the reproductions of the genuine organisations web pages etc. is increasing. The golden rule is if in any doubt at all don't respond to the message/letter contact the organisation using a number you know is genuine.

**Crime prevention:** Property marking is a deterrent to burglars and increases the likelihood of stolen items being recovered. Rachel has the Village property marking kit and can mark items. Contact her (see below) to arrange to take smaller items to her or a home visit, in the village, to mark larger items.

**Police Community Support Officers** for the area is PCSO Joanne Jackson, our Police Constable is PC 978 Andrew Crouch. They can be contacted on 01788 853851 this is the Safer Neighbourhood Team number so will reach a team member on duty quickly. The team also have an e-mail address : [rrs.snt@warwickshire.police.uk](mailto:rrs.snt@warwickshire.police.uk) .

**Neighbourhood Watch:** Rachel Settle (Co-ordinator) can contacted by telephone on 01788 823823 (daytime) or 01788 890724 (evening & answerphone) or e-mail [neighbourhood.watch@willoughbyweb.net](mailto:neighbourhood.watch@willoughbyweb.net).
