Dear Mr & Mrs Wheelby,

15.04.06

Many thanks

for help last Saturday it was very kind of you to invite us into your home to help with our family history research.

Since our visit we have now established that it was Jane Dadds brother who lived at Fye Court with his wife Elizabeth.

Jane MUNNIS (NEE DODD) lived at Tattle bank with her husband

JOSEPH MUNNIS (census 1901) Joseph worked as a A.G. LAB. Next door lived her brother HARRY DODDS and

2.

his wife FRANCIS, Harry worked for the railway as a plate layer. In 1881 JANE'S parents also lived at Tattle bank they were JOSEPH & MARY DODD.

I enclose a copy of the picture I showed you, we now believe taken in the early 1900's and not about 1880 as we told you.

Obviously they are haymaking some where in Willoughby. JANE MUNN (NEE DODD) is the woman in black and could be in mourning for her husband who ^{had} died recently. Although we have no idea of his date of death.

Again many thanks

Regards

Susan & Norman Seale
