

From the Willoughby Society Archives

SOME 40 members of the Willoughby Society met for the AGM. Four members of the 1985/86 committee did not seek re-election and the result of the election was president Mrs B. Jones, chairman Mr B. Sunderland, vice-chairman Mr D. Waddington, secretary Mrs F. Ivens, treasurer Mr R. W. Harrison, social sec Mrs M. Hubbard, archivist Mr R Whitfield. Members: Mesdames V. Hall, B. Harrison. P. Wright, J. Miller. E. Pettifer, and Mr Troman. Mrs H. Whitfield was elected hon auditor.

The general business was followed by a slide show given by Mrs B. Pygott. Her subject was "Carvings on Church Furniture." It was a talk made all the more

interesting by the fact that Mrs Pygott had researched the stories and legends behind most of the carvings. An unusual but fascinating subject was appreciated by all present as shown by the response to the chairman's thanks.

CHURCH Christmas whist drive is to be held in the village hall on Friday (7.30).
