

The monthly meeting of the Willoughby Society was held Wednesday, January 27 at which 43 members attended. The guest speaker was Mr Jackson, Chairman of the Northampton Badger Group who gave a most interesting and informative talk, illustrated with excellent colour slides. His obvious enthusiasm for his subject was shared by members who readily showed their appreciation. A vote of thanks was proposed by Mr Brian Sunderland, Chairman of the Society.

The 25th Anniversary of the Society was recently celebrated at a Christmas party. The Society, which is open to all Willoughby residents, includes a limited number of outside members who are closely associated with, Willoughby village affairs
