

# The Willoughby Challenge 2006

Sunday 2<sup>nd</sup> July 2006

Willoughby Parish Council  
Welcomes you to  
The 7<sup>th</sup> Willoughby Challenge

Originally devised for the Millennium celebrations in 2000 by former Postmaster, Peter Montgomery, the Challenge has become a regular fixture on the local calendar, growing from 4 teams to a record 11 teams in the last two years, invited from 6 local Parishes.

It is open to all primary school aged children resident in local Parishes who enjoy this unique opportunity to join their friends and neighbours in representing their village or Parish in a friendly but competitive environment.

There are annual trophies for the winning teams in both age groups. All participants also receive a personal trophy for their efforts. These are provided by the generosity of local Parish councils and other local organisations.

The support (and tolerance!) of the local community along with the hospitality of the Rose Inn is greatly appreciated by everyone involved in the event.

**Please respect the local residents and look after the venue.**

**Please applaud all the children's efforts and encourage good sportsmanship.**

**Please accept the decisions of the referees and organisers. They are all doing their best!**

**Most of all, enjoy the day and come back next year.**

Ian Czerniewski, Tournament Organiser  
On Behalf of Willoughby Parish Council

**For when the One Great Scorer comes,  
To write against your name,  
He marks - not that you won or lost -  
But how you played the game.**
